RE: PCN ESU270-3 - Immediate End of Life for SPUSB Series Silicon Protection Array (SPA™) Products

To our valued customers,

Littelfuse would like to notify you that the SPUSB Series Silicon Protection Array (SPA™) Products have been discontinued due to lack of end market demand for USB1.x applications. No new orders for this product will be accepted and there will be no last-time-buy. Any backlog of existing orders may be cancelled depending on availability of supply.

Littelfuse recognizes and respects the need to allow time for our customers to transition existing designs, and we are committed to assisting in the process whenever possible.

Product Affected: The only Littelfuse parts affected by this notice are SPUSB1AJT, SPUSB1BJT, and SPUSB1CJT.

Replacement Product: No replacements will be made available due to lack of end market demand for USB1.x applications.

Please contact your local Sales representative for additional questions or concerns.

We value your business and look forward to assisting you whenever possible.

Best Regards,
